

EXTERIOR ARCHITECTURAL DETAIL TO "WHOLE HOUSE" REHABILITATION.

O'Neill Development is a construction, remodeling and development firm that has been active in Maryland, Virginia and Washington D.C. since 1975. O'Neill Development has custom built or remodeled over 350 homes of various sizes and has constructed over 100,000 square feet of light commercial, institutional and office space. The company has also developed five residential subdivisions, using a different historic architectural theme for each community. O'Neill Development has been recognized for its high-quality custom work in national publications such as Traditional Homes, Period Homes and Southern Accents magazines, and locally in the Washington Post, The Washingtonian, Gazette Journal newspapers and Chesapeake Home Magazine.
